Second Sunday of Lent

In today's second reading we learn that one of Saint Paul's principles of Christian living is to watch and imitate other followers of Christ. There is a pattern for Christian living that Saint Paul wants others to discover and then imitate. This pattern includes a life of prayer, selflessness, sacrifice, and caring for others, including our family of faith. Good stewards choose their friends wisely. They cultivate friendships with other Christian stewards, spend time with them, observe how they live, ask questions about their faith and learn from them. Who are your friends? Are they good stewards of their faith? Are they those who can help you on your own journey of faith?

THE CHOSEN

'The Chosen' is a television series created by Dallas Jenkins and financed by donors throughout the world. It is a wondrous and respectful presentation of the life of Jesus and His followers. Faithfully based on Sacred Scripture, the series offers a new and insightful look at the person of Jesus, both God and human, and the personalities of the people of His time on earth, especially the ones He called to follow Him. The creators of the program do not want to replace scripture but encourage all to read and pray with scripture.

On the Tuesday nights of Lent (March 15, March 22, March 29, and April 5) we will meet in the Family Life Center after the 5:30 mass and view some of the episodes and have discussions of the episodes, Sacred Scripture and our own spiritual journeys. If you wish to bring a light supper or snacks, please feel free to do so. Please consider joining us.

On Friday evenings after the 5:30 mass we will reflect and pray together the Stations of the Cross.

Don't Forget,  
Spring  
Forward  
March 13, 2022

The word 'Lent' comes from the Old English word for 'Spring'. Even though the forty days of Lent echo the forty days that Jesus spent in the desert, even though it is a time of fasting and penance, it is still a time to discover in the barrenness of the desert the wonders of new life. It is still a time to prayerfully search deep within ourselves to discover the new life that God calls us to embrace. Each grain of sand, each hint of new spring growth, each blossom of promise nudges us to Resurrection, to New Creation, to Easter Joy.

We fast and pray and do good deeds in Lent, not to impress God or win His love and affection; His love is always ours. We do these holy things to learn, to grow, to become aware of our dependence on the Holy One. We do these things to allow His grace to mold and fashion us, to prepare our hearts for His resurrection, our resurrection.
