### Third Sunday of Lent

In today's Gospel Jesus offers his parable about last chances. The fig tree will have one last chance to bear fruit before it is cut down and destroyed. Good stewards realize that, like the fig tree, they are endowed with God-given gifts that are meant to "bear fruit" for God and neighbor. God has legitimate expectations of them. They also realize they do not know how much time they have left before the gardener returns for an accounting of their fruitfulness. How are we using our God-given gifts? How might we use our gifts to bear more fruit? The answer requires some urgency.
