Seventeenth Sunday in Ordinary

A prominent theme in today's Gospel parable is generosity. Late at night, a sleepy friend responds to his neighbor's request for food for an unexpected guest. Jesus suggests that it would be unthinkable for a friend to deny a friend in need. A friend would most certainly give what is asked and more. Through this story, Jesus illustrates God's generosity. Good stewards realize the extraordinary love and graciousness with which God showers us. We need never convince God to be generous. God is already that generous friend. His abundant love bathes us in goodness. This week, prayerfully reflect on God's generosity to us. What should our response be to that generosity?
