Charity for the poor is like a living flame; the drier the fuel, the brighter it burns. In your service to the poor do not give only your hands but also your hearts. Charity to be fruitful must cost us. Give, give, give. Give until it hurts. To love, it is necessary to give: to give it is necessary to be free from selfishness.

Mother Teresa

Twenty-eighth Sunday in Ordinary Time

In today's Gospel, we hear of the ten people afflicted with leprosy, and the one who glorifies God for being healed. It is a dramatic scene of gratitude. But in order for the miracle to happen in the first place, these men had to start walking in faith before their diseased conditions change one tiny bit. Good stewards of their faith realize that they cannot wait until their problems are over to start walking in faith. They praise God even in the darkest of nights, and in the worst of circumstances. Do we walk in faith, offering the Lord our gratitude even when we are in difficult circumstances?

PROPOSED ANNOUNCEMENT

There is a display board at the church entrance which has information concerning a new mausoleum program for Assumption of the Blessed Virgin Mary Cemetery. This is a survey to see if there is enough interest to proceed with the design, sales and construction of a new mausoleum. The information shows a rendering of the proposed mausoleum along with information concerning the cost of spaces and the financing that will be available.

Also with the display board is a signup sheet for those interested in getting more information. If enough families are interested, we will announce the results and let the families know when a program might begin.

You are not obligated to purchase any spaces at this time, this is only to determine the interest of our families.
