If you were to die today, what would others say about you? What was in you that was beautiful, that was Christlike, that helped others to pray better? Face yourself, with Jesus at your side, and do not be satisfied with just any answer. Go deep into the question. Examine your life.

Mother Teresa

National CDA Sunday

Sun., October 23, 2022 - 8:00am

Court members please make every effort to attend.

When we lose someone, we know that our relationship with them does not really end. Our heart refuses to let our memories of that person disappear. Those memories might fade a bit over years, but they don't simply evaporate. We remember that person, we remember all of those who have gone before us who have touched our lives in profound and miraculous ways. We miss them, and we pray for them. The church in Her wisdom knows the richness and value of these relationships. We pray for their swift passage to the infinite embrace of the Father. We pray for their eternal peace and everlasting joy. We pray for their forgiveness of our sin and assure them of our forgiveness of theirs. We ask for their protection and assistance in our continued journey here on earth. We remember them, especially at this sacred time of the year.

The Serenity Prayer

God, give us grace to accept with serenity the things that cannot be changed, Courage to change the things which should be changed, and the Wisdom to distinguish the one from the other. Living one day at a time, enjoying one moment at a time, accepting hardship as a pathway to peace, taking, as Jesus did, this sinful world as it is, not as I would have it, trusting that You will make all things right, if I surrender to Your will, so that I may be reasonably happy in this life, and supremely happy with you forever in the next. Amen

Twenty-ninth Sunday in Ordinary Time

If we want to know what Jesus' parable is about in today's Gospel, it seems that we don't need to work too hard because Saint Luke tell us right at the beginning: "Jesus told his disciples a parable about their need to pray always and not to lose heart." This parable has often been used to bring comfort to us about our prayer life. But could there be a more challenging message for those who take stewardship seriously? Widows were the poorest and most vulnerable of people in Jesus' time. Oppressive legal and economic structures were the norm. Jesus embraced with great compassion the poor and the marginalized. Could it be that we are also encouraged to pray persistently for the poor, the weak and the vulnerable as we hear their cry for justice? And that we must not lose heart that we can effect change in their lives?
