At Christmas, we see Jesus as a little babe-helpless and poor. And he came to love and be loved. How can we love Jesus in the world today?

### Solemnity of the Nativity of the Lord (Christmas)

Amidst the beautiful Christmas readings at today's Masses is a reading from a small New Testament letter from Saint Paul to his protégé, Titus, read at Midnight Mass. Saint Paul reminds Titus that God has given us a gift in the person of Jesus Christ. This gift represents God's active presence in our lives and in our world. This gift redeems us from evil and death. This gift purifies us as God's people. This is a gift that also comes with an expectation: that we receive it with thanksgiving, allow it to transform us into Christ's image; and from it, learn how to live a life "eager to do what is good." Take time the next few days to reflect on the marvelous gift we celebrate at Christmas, and how we might become better stewards of this gift.
