Sixth Sunday in Ordinary Time

In today's Gospel, as part of his Sermon on the Mount Jesus does not speak of replacing the law of the Old Testament. He goes beyond it. He obliges his followers to work at being holier than even the strictest of Pharisees. But the work is not accomplished by following a religious "law", it requires growing in love for other human beings. Followers of Jesus know they are required to be good stewards of others. In what way will you exercise good stewardship over other people this week?
