Bring prayer back into your family life and you will experience unity-and a joyful love that will bind you together. Maybe there is suffering in your family, but praying together, sharing together, loving together will help you.

St. Teresa of Calcutta

Thirty-First Sunday in Ordinary Time

In today's Gospel Jesus lays judgment on the scribes and Pharisees for the hypocritical way they lived out their faith. The criticisms he levies are all about the ways righteousness turns into self-righteousness, and how religious belief could turn into something that was more about elevating themselves than about what they could do for God or their neighbor. Good stewards know that discipleship means finding ways to serve, and searching for ways to be a servant—to live as a servant of Christ. When faith is authentically lived out in community everyone is enriched, and God is glorified. Reflect this week on how you live out your faith.
