Third Sunday in Ordinary Time

In today's letter from Saint Paul to the Corinthians, he calls upon people of faith to disengage from the world's way of living. He wants the community to step back and see how being entangled with the outside world can be a captivity preventing them from living authentic lives in Christ. Yet, to his way of thinking, disengagement is not an end in itself. Rather, being disengaged and set free, a person can engage the world from the perspective of being one who is "in Christ". Good stewards recognize that they live in a troubled world. Knowing the certainty, however, of God's ultimate kingdom beyond human history, how can we work as good stewards of our daily lives to align the present and the future with that kingdom?
