Third Sunday of Easter

An underlying lesson from all three readings this weekend is that the Risen Christ has wiped away our sins, not only for individuals, but throughout the world and its history. The terrible power of sin has now been reversed and our coming to perfection through the love of God is part of the Easter experience. As stewards of God's love we are called to participate in Christ's redemptive activity. The stewardship questions for us are many: How do we resist injustice at home or in the workplace? How do we confront violence in our language and attitudes? How do we bring Christ to others?

If you would like to donate to the **Fête de Juillet** live or silent Auction, please bring it or call the office for more information.
