Feast of the Baptism of the Lord
Saint Matthew's story of the baptism of Jesus is an appropriate scripture reading to reflect on our own baptism. Jesus' baptism has been understood as a symbol of his death. Baptism is the sacrament by which we die to an old life of sin and enter a new life of grace. We "put on Christ." To be a good steward of one's baptism means to accept that one has new life in the risen Lord and is willing to be guided by the life of Jesus. As this year begins to unfold, reflect on the meaning of your own baptism, and how you might make an even deeper commitment to a new life in Christ Jesus.
