Third Sunday of Lent

Jesus ' longest-recorded conversation with anyone is the one he has with the Samaritan woman at the well. She discovers she can be honest with Jesus and goes and tells others about him. She gives witness. She's not the most certain, thorough or even convincing witness. But her witness is enough. It is inviting, humble, non-judgmental and sincere. What is the quality of our witness? How do our words and actions give daily testimony on behalf of Christ? During this season of Lent, how might we do a better job at proclaiming the risen Lord in word and deed?
