Happy Mother's Day

May is the Month of Our Blessed Mother — and how fitting that we pause this Sunday to honor the mothers in our midst.

Mary's quiet and courageous "yes" to God reminds us that motherhood is not merely a human role — it is a reflection of divine love made visible. Whether biological, adoptive, spiritual, or symbolic, every mother who has poured herself out in love for another participates in something holy.

To all mothers, grandmothers, godmothers, and every woman who has nurtured life and faith — may Our Lady intercede for you, and may God bless you abundantly today and always.

"As a mother comforts her child, so I will comfort you." — Isaiah 66:13
